

PROJECT PROFILE

ARAYMOND AUTOMOTIVE

Company/Project Background

ARaymond is both a global and international leader in fastening and assembly solutions for the automotive industry. They wanted a clean, contemporary look for their new headquarters in Rochester Hills, MI.

Products Used

Surface - Corian® Solid Surface

Result/Solution

Stucky Vitale Architects recommended to complete the reception desk with Corian® Solid Surface in Venaro White.

Britten Woodworks was the millwork contractor that built and installed the desk and wood accent wall.

To complete this interior space, Gasser Bush Associates contributed with sleek, modern light fixtures.
